

SUMMER AT CEDAR CREST ACADEMY: Bellewood ~ JULY

<p><b>Superheroes and Superstars!</b></p> 	<p style="text-align: right;">3</p> <p style="text-align: center;">School Closed</p>	<p style="text-align: right;">4</p> <p style="text-align: center;">School Closed</p>	<p style="text-align: right;">5</p> <p><b>Theater Games Day</b> Children will play various theater games such as charades to get into the spirit of a Performer.</p>	<p style="text-align: right;">6</p> <p><b>Karaoke!</b> Today we get to show off our Superstar skills with singing Karaoke!</p> 	<p style="text-align: right;">7</p> <p><b>Water Day</b> Today we will pretend we are water superheroes. We will come up with some fun names and what our special powers are in the water!</p>
<p><b>Superheroes and Superstars!</b></p> 	<p style="text-align: right;">10</p> <p><b>Not All Heroes Wear Capes</b> This week we will learn all about the superheroes in our community and how we can be superheroes without a cape!</p>	<p style="text-align: right;">11</p> <p><b>Comic Books</b> Our older children will create a superhero comic book and everyone will put together their own superhero costume.</p>	<p style="text-align: right;">12</p> <p><b>Catch the Villain!</b> Our Superheroes will have a fun time playing a version of tag on the playground trying to catch the villains!</p> <p style="text-align: center;"><b>Karate</b></p>	<p style="text-align: right;">13</p> <p><b>Imagination Day</b> Children will have their faces painted, enjoy some tasty popcorn, and get to perform a dance for the other kids throughout the school!</p> 	<p style="text-align: right;">14</p> <p><b>Water Day</b> One last experiment to finish out our week. Today, our scientists will explore what dissolves in water, and they will check in on their penny and crystal experiments from last week.</p>
<p><b>Explorers</b></p> 	<p style="text-align: right;">17</p> <p><b>Exploring</b> Today we will use our magnifying glasses and see what the Northwest is all about during a nature scavenger hunt!</p>  <p><b>Max Mobile Visit</b></p>	<p style="text-align: right;">18</p> <p><b>Who? What? When? Where? Why? How?</b> Children will explore the who, the what, the when, the where, the why, and the how of famous explorations around the world! .</p>	<p style="text-align: right;">19</p> <p><b>ROAR!</b> Join us to explore DINOSAURS and other prehistorical creatures!</p>  <p><b>Burke Museum</b></p>	<p style="text-align: right;">20</p> <p><b>Fossil Dig</b> Today we will dig for fossils and uncover ancient mysteries from the Mesozoic Era. Maybe we'll even uncover a new species of dinosaur!</p>	<p style="text-align: right;">21</p> <p><b>Our Earth/Water Day</b> As we explore nature, and the world around us, we will learn what we can do to take care of our Earth. We'll practice wilderness safety, identify different trees, and learn what it means to be a real explorer.</p>
<p><b>Explorers</b></p> 	<p style="text-align: right;">24</p> <p><b>Destination: SPACE</b> Today we will blast off in our rockets and explore the universe and our galaxy; the Milky Way!</p> 	<p style="text-align: right;">25</p> <p><b>Walking on the Moon</b> Children will try their hand at walking on the moon with special moon boots.</p> <p><b>Rocket Bounce House</b></p>	<p style="text-align: right;">26</p>  <p><b>Star Light, Star Bright</b> Explores will learn about the constellations we can see in the night sky and even make their very own!</p> <p><b>Pacific Science Center</b></p>	<p style="text-align: right;">27</p>  <p><b>Let's Go Camping!</b> Children will camp out under the stars, tell stories around the campfire and make yummy s'mores!</p>	<p style="text-align: right;">28</p> <p><b>Water Day</b> What better day to learn about our oceans, seas, and rivers than on our water play day? Children will explore where water comes from, how much makes up our planet, and in what ways!</p>

SUMMER AT CEDAR CREST ACADEMY: Bellewood~ AUGUST

<p><b>Fun and Fantasy</b></p> 	<p><b>Pirates</b> <sup>31</sup>  <i>Argh! There be pirates here!</i>                  We start our Fun and Fantasy Camp off with a school filled with Pirates! Hope no one will walk the plank!</p> 	<p><b>Maps! Maps! Maps!</b> <sup>1</sup>                  We will create our very own maps and use them on our special hunt! Will it lead to undiscovered land or perhaps treasure?!</p>	<p><b>Dragons? Oh My!</b> <sup>2</sup>                  Fire Breathing or Friendly?                  Protecting a castle or capturing a princess?                  What fun things can we learn about dragons?!</p>  <p><b>Reptile Man</b></p>	<p><b>Castles and Towers</b> <sup>3</sup>                  Today we build our very own castles out of different kinds of materials. We'll include Towers and drawbridges!</p> <p><b>Castle Bounce House</b></p>	<p><b>Water Day</b> <sup>4</sup>                  For Water day the Children get to make their own pirate ships! Why do they float? What are they made of, and who uses them?</p> 
<p><b>Fun and Fantasy</b></p> 	<p><b>Fairy Tales</b> <sup>7</sup>                  Long blond hair in a tower, three blind mice, trolls under a bridge, and some cold porridge. Today we will create our own fairy tales!</p> <p><b>Special Guest</b></p>	<p><b>Unicorns Are Real</b> <sup>8</sup>                  Today we use our imagination and bring Unicorns to life! We will hear different unicorn tales from around the world.</p> 	<p><b>Wizard hats and Sparkly Crowns</b> <sup>9</sup>                  Our Wizards and princesses will make their own crowns and wizard hats, filled with sparkles and magic!</p> <p><b>Magician</b></p>	<p><b>Costume Day</b> <sup>10</sup>                  Children will wear costumes to school (think Halloween in August)!</p> 	<p><b>Water Day</b> <sup>11</sup>                  Join us under the sea to learn about mermaids and mythical sea creatures.</p> <p><b>Ice Cream Day!</b></p>  <p><b>Tangerine Tales</b></p>
<p><b>Pop, Boom, Bang!</b></p> 	<p><b>Boom!</b> <sup>14</sup>                  Today we will learn about physics! We will first create buildings and a wrecking ball using different materials. Then we will knock them down!</p> 	<p><b>The Magic Balloon</b> <sup>15</sup>                  We will put our scientist hats on to watch a balloon blow up from just two basic household ingredients. Will it pop?!</p> 	<p><b>Fireworks!</b> <sup>16</sup>                  We will start off our "Pop, Boom, Bang!" with talking about the fireworks and make our very own confetti poppers!</p> 	<p><b>Geysers</b> <sup>17</sup>                  We'll be learning all about natural wonders over the next two weeks! Today we will make our very own geysers and learn about some of the most famous ones in the United States!</p> <p><b>Mad Science</b></p>	<p><b>Water Day</b> <sup>18</sup>                  What a great way to learn about ways water shots up by playing with the sprinkler on water day!</p> 
<p><b>Pop, Boom, Bang!</b></p> 	<p><b>Volcanoes</b> <sup>21</sup>                  Children will have the opportunity to explore the world of volcanoes. They will make a model of a volcano and watch it erupt at the end of the week.</p>	<p><b>Parade Day</b> <sup>22</sup>                  Children will get to choose instruments and parade around the school making loud BOOMING music.</p> <p><b>Imagine Children's Museum</b></p> 	<p><b>Bubbles, Bubbles Everywhere!</b> <sup>23</sup>                  We will make our own bubbles and use different kinds of items around the school to see how big we can make a bubble.</p> 	<p><b>Erupting Volcanoes</b> <sup>24</sup>                  Today is the day! Our model volcanoes are dry and it is time to watch them erupt.</p> 	<p><b>Water Day</b> <sup>25</sup>                  Today we will end our "Pop, Boom, Bang!" camp with making our own water balloon obstacle course!</p> 
<p><b>Teacher Professional Development</b>  <b>No School</b></p>	<p><sup>28</sup></p>	<p><sup>29</sup></p>	<p><sup>30</sup></p>	<p><sup>31</sup></p>	<p><sup>1</sup></p>
